

EAST CELEBRITY ELITE

March 23rd, 2020

ECE Parents,

The Tewksbury and Londonderry locations will be closed until Tuesday, April 7th. The gym, office, lobby, and equipment have all been cleaned by outside companies multiple times, and continue to go through regular daily cleanings.

As we're sure you are aware, this situation is ever-changing. We will continue to follow the current CDC recommendations, and the specific orders of our state. If we are able to open in a limited capacity that is in line with government mandates, we will do so. We will not conduct practices, classes, or private lessons until it is permitted to do so.

We understand that this is a difficult time for our athletes, and we are committed to doing our part in helping to retain some sense of normalcy. During our closure this week, we have a few different things planned! We will be providing Virtual Video Workouts in the Parent's Page, as well as in the team pages! These workouts are for jumps, at-home tumbling drills, conditioning, flexibility, etc. We are looking into doing some coach/athlete communication as well in the coming weeks!

Lastly, please heed state and federal health recommendations. It is not in anyone's best interest to be frequenting busy public spaces. The more diligent you are now, the quicker we will all get back to normal daily life. Please reach out to us if you have any questions, comments, or concerns.
